Freedom from Drugs & Alcohol Through Jesus Christ

May –July 2011 Update

TRUSTING IN GOD'S TIMING From the Pastor's Heart.....

For the revelation awaits an appointed time; it speaks of the end and will not prove false. Though it linger, wait for it; it will certainly come and will not delay." (Habakkuk 2:3)

There's an old adage that says, "God's answer to your prayer is seldom early, but it is never late!" God will give us the grace we need when we're in His timing. So if we will keep a right attitude and not allow bitterness or resentment to take hold of us, then at the right time, in due season, God will answer our prayers. When He answers our prayers, the answer may be "No," or something different than we

think, but it will be for our best. Habakkuk 2 tells us that God has an appointed time to answer our prayers so that we receive just what we need at just the right time to live victoriously and happily. We probably have dreams that God has put in our heart; wait for His timing to bring these dreams about. Our situation will improve, but on God's timetable, not ours!

As we wait we should, pray, give thanks to God and live in a state of expectancy. He will soon than later come through for us.

Here in Kenya, we have had God shape us and the ministry

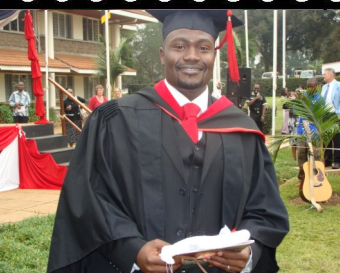

like we have never seen before. We would like to personally thank our friends and family who continue to support us and the ministry in prayer and finances. The Lord sees and He will reward you.

PROGRESS REPORT

God has continued blessing the ministry even as He uses it to minister to the societal alcohol & drug related issues, in Church voluntary work. There has been an increase in the number of intakes with men coming from all areas of the country including neighboring countries .God is transforming the lives of many men .

U-Turn Kenya men offer praises to God during a visit by a Local church

Albert-Overseer at U-Turn Kenya gives his testimony

Despite the famine being experienced in the Country and escalating food prices, God has continued to bless the ranch with food. The farm is now producing and consuming green vegetables-kales, spinach, Carrots, onions and parsley .This has brought down the food expenses considerably and we thank the lord.

The ministry is receiving 2 litres of milk daily through generous contribution of one of the ministry supporters also bringing down the expenses –isn't the lord faithful (smile).

Also through the support we have been receiving we were able to re-do the floor of the chapel, now the men can worship and fellowship in a good environment. THANK YOU for supporting the work of the lord
