

WORD FROM THE PASTOR

This has been particularly good season for us .We can see more people interested in supporting U – Turn for Christ. We have grown not just in number but impact. The lord opened a door for us to minister at the Kenya Prison service .U –Turn for Christ Kenya partnered with Calvary chapel Joshua springs in the ministry of Jesus Film. We have shown and shared this film to over 5,000 people in different parts of the country. We were introduced to the chaplain of the Kenya prison who fell in love with our ministry and through that relationship we have penetrated the prison like never before. Through this ministry the Kenyan courts have

begun using U-Turn for Christ Kenya as an alternate jail sentence. We also thank God for the faithful pastors who have volunteered to minister to the men during our chapel times. In the past, it was really difficult to find men who are willing to commit themselves. I believe in the coming months God has greater plans for the ministry and can't wait to behold the doing of the lord .Amen
